

**Through the Lens—A Field Guide to Digital Photography**  
2010, ISBN 978-1-930554-08-5, 242 pages, 6 x 9  
trade paperback, \$14.95

*Through the Lens* is a book where you'll learn nuances such as getting everything you want in the shot, avoiding what you don't want, and getting everything to look like you want it to—whether you're just starting out or have been shooting for years. You'll learn about lighting, positioning your subjects, and post processing to include color and contrast enhancement, and the all-important cropping. Learn what sets professionals' photography apart from amateur work, and how to make your images "snap."

**Perfecting Your Prose—A Guide to Improved Writing**  
2004, ISBN 978-1-930554-01-6, 208 pages, 6 x 9  
trade paperback, \$14.95

*Perfecting Your Prose* is a guide to help writers expand their linguistic knowledge and to remind them of both common as well as obscure grammatical rules and conventions, thereby improving the overall structure and content of their prose. A combination of writing instruction and grammar handbook, the sections within address a variety of linguistic and structural constructions and examples helpful for developing prose as clearly and succinctly as possible.

**Writing for Magazines and Trade Journals—Finding Them, Writing for Them, and Getting Paid by Them**  
2006, ISBN 978-1-930554-03-0, 234 pages, 6 x 9  
trade paperback, \$14.95

*Writing for Magazines and Trade Journals* provides valuable information on everything from finding venues for publication to writing results-oriented query letters. Writers will learn effective research skills, writing techniques, and rights and permissions acquisition and negotiation as well as how to work effectively with editors, expanding your publications repertoire, and most importantly, getting paid.

**Gainfully Employed—A Guide to Resume Writing, Job Hunting, and Effective Interviewing**  
2005, ISBN 978-1-930554-04-7, 186 pages, 6 x 9  
trade paperback, \$14.95

*Gainfully Employed* provides much insight on how to use a personal profile, develop a professional history, and ask the right questions during an interview to ensure that you are a good match for the job. Job seekers will learn how to find the job that is right for them, conduct themselves face-to-face in the most professional manner, search for jobs in venues of which they previously were unaware, and look for red flags during an interview.

**On-Demand Publishing—Strategies for Printing on Demand, Point of Purchase Book Manufacturing, and Virtual Publishing**  
2005, ISBN 978-1-930554-02-3, 146 pages, 6 x 9  
three-ring binder, \$149.95

*On-Demand Publishing* is an executive report designed for commercial publishers as well as small presses exploring avenues for minimizing inventory and storage expenses, bringing older titles back into print, and reducing risk on new authors without a proven sales track record. Publishers will find this study useful for producing quality books using the latest technology in the book short pressrun book printing industry.

**Movie Extra 101—Your Shortcut to Stardom**  
2005, ISBN 978-1-930554-05-4, 228 pages, 6 x 9  
trade paperback, \$14.95

*Movie Extra 101* provides a wealth of hard-to-come-by information on becoming a film industry background actor. It is designed for both the novice wanting to be in his or her first film as well as the experienced extra wanting to know more about the industry. The book guides the reader through the steps involved in finding jobs in films, what you will need for casting companies, preparing for the actual shoot, and what to expect once on the job.

**Getting Grease—A Guide to Effective Complaint Resolution and Consumer Tips**  
2006, ISBN 978-1-930554-06-1, 186 pages, 6 x 9  
trade paperback, \$14.95

This informational and humorous guide shows you how to get quick and effective results to your consumer complaints. Readers learn how easy it is to communicate clearly, succinctly, and forcefully—if necessary. *Getting Grease* contains 39 actual complaint letters and responses to show you how to quickly and effectively oil the wheels of business by articulating your concerns and experiences, stating the remedy you want, and getting results.

## Product Descriptions

**The Peer-Reviewed Journal—A Comprehensive Guide through the Editorial Process. Includes Forms, Letters, and Faxes,** 3rd Edition

This guidebook is developed as a reference tool to help editors-in-chief, managing editors, and all editorial office support staff create and implement processes and procedures for setting up and managing the editorial office of a journal or magazine. It is designed both to ease the anxiety of those coming into the field for the first time and to help veterans streamline the receipt, acknowledgment, referee selection, review, and decision processes and procedures.

**Publishing for Small Press Runs—How to Print and Market from 20 to 200 Copies of Your Book,** 2nd Edition

With the consolidation of commercial publishers into conglomerates, publishing companies are taking even less risk with new authors. This book teaches writers how to produce and market their own work by using publishing industry standards for registering and promoting new books from both prepress and post-press reviews to sales through online booksellers.

**From Bean to Brew—A History of Coffee and Coffeehouses,** 2nd Edition

The research in this book spans a decade and explores the growth and popularity of coffee from 800 A.D. to the present, from Yemen to the United States. Historic coffee-making practices and equipment are examined, as is the evolution of coffeehouses from 17<sup>th</sup> century Oxford, England to contemporary New Orleans. *From Bean to Brew* also investigates the creation and expansion of New Orleans as a major shipping port for coffee imports as well as the city's progression as the world's largest bulk coffee handler.

**Guided Meditation—Creative Visualization for Generating Energy and Managing Stress**

For thousands of years meditation and visualization techniques have been used to treat maladies and to create and maintain energy. In *Guided Meditation*, author Robert Fussell provides such useful techniques and exercises for beginners as well as experienced metaphysical practitioners. Refreshing visualizations from headache imagery to food and medicine meditations are included, as are Taoist energy generation and chakra balancing.

**The Complete Guide to Driving Etiquette—Taking the Rules of the Road a Step Further**

This unique book contains information on why driving etiquette is so important; how to be safe, kind, and compassionate in all driving environments; and what causes road rage and driver aggression, and how to avoid it. A useful and easy-to-read guide, *Driving Etiquette* provides valuable guidance and suggestions for the novice as well as the experienced driver. Driving environments discussed include urban, suburban, rural, interstate, and off road.

**Operating Procedures for Association Chapters and Committees—Developing Usable Guidelines for Officers and Managers**

*Operating Procedures* provides unique and valuable information on setting up and managing local chapters of professional societies and associations. Organizing an administrative council by soliciting candidates for a slate of elected officers is addressed, as is developing committees and special interest groups and appointing managers to oversee such entities. Divided into two parts, this one-of-a-kind text is a must-read for officers who run the chapter and the managers who assist them by heading various committees.

## Distributed by Chatgris Press

**Angelina's Favorite Recipes—A Personal Collection of Sicilian Style Italian Recipes.** 2000, ISBN 978-0-9619750-0-5, 102 pages, 6 x 9  
comb binding, \$8.95

This unique and rare collection of authentic Italian recipes specifically focuses on the Northeast region of Sicily. Angelina Manuccia Mitchell has preserved this distinctive style of cuisine while providing local alternatives to region-specific ingredients. Beautifully illustrated by an art and history instructor from Barceolonna, Sicily, this private collection also includes recipes from other zones of the island as well as from Italy. Chapters include Antipasti, Soups, Meat, Poultry, Fish, Vegetables, Sauces, Bread, and Desserts and Espresso.
