Operating Procedures for Association Chapters and Committees.

Developing Usable Guidelines for Officers and Managers
2001, ISBN 1-930554-00-1,
83 pages, 6 x 9, perfect bound soft cover
\$14.95

Another groundbreaking nonfiction text from Chatgris Press, **Operating Procedures for Association Chapters and Committees** is perhaps the only book of its kind to offer useful information and practical advice on developing and organizing a local chapter of a professional organization. Divided into two parts, this one-of-a-kind text details roles and responsibilities of administrative council members who run the chapter and the managers who assist them by heading various committees.

About the Author – Gary Michael Smith is a writer, editor, and educator based in New Orleans, Louisiana. He has written more than 200 articles for more than 60 trade/technical, and scientific journals, and authored 11 non-fiction books. He has served as chapter president of an international professional association, served in numerous other capacities various organizations, and teaches classes at the University of New Orleans.

**Operating Procedures for Association
 Chapters and Committees.**
 Developing Usable Guidelines for
 Officers and Managers

**Operating Procedures for Association
 Chapters and Committees** provides
 unique and valuable information on setting up
 and managing local chapters of professional
 societies and associations. Organizing an
 administrative council by soliciting candidates
 for a slate of elected officers is addressed, as is
 developing committees and special interest
 groups and appointing managers to oversee
 such entities. **Operating Procedures for
 Association Chapters and
 Committees** is
 available directly from the publisher at:
