

Italian Lessons

Learn Italian from an authentic speaker with an excellent ear and a thorough but compassionate method.

I offer private Italian lessons at all levels.

My classes comprise a mixture of fun reading, word games, and some grammar, with an emphasis on pronunciation and dialogue. I use *Learn Italian the Fast and Fun Way* by Marcel Danesi (Barron's Educational Series, ISBN 978-0764125300), which is perfect for those preparing to travel abroad, whether it be to Venezia or Verona, Roma or Ravenna. You will learn how to communicate at levels ranging from beginner to advanced, with excursions into indigenous songs and idiomatic expressions.

Prices vary, from \$135 per course for 9 hours of group instruction over 6 weeks to individual rates of \$120 for 4 hours of instruction. So don't delay; Italy is waiting! Start learning today! Call 504-309-9522 or email mannuccia@yahoo.com.

A presto!

Ciao
